Aspire  
Nails & Beauty Therapy

Welcome to the new year and the new Decade! Although there was a recession in New Zealand, the end of 2009 was very busy for us here at Aspire so we have needed to recruit a new staff member. Welcome Back to Jess Short, who returns after completing her Beauty Therapy studies through out '09. Jess has completed her diplomas with Credits which is amazing. We are very pleased to have her back as she was missed! Jess is confident in all aspects of Beauty and will be offering these services along with Nail Enhancements

Lizzie is cutting her hours down from February, being available for appointments only on Tuesdays but is available at other times by appointment. Lizzie is taking a Step back to concentrate on her studies to continue her Bachelor of Health Science at AUT. She will be popping in and out so you won't be able to miss her.

Between the four of us, we will still ensure your treatment and our service is superior and you are booked in with the therapist you request. This is our Mission and we do our very best to ensure this.

See you soon

Lizzie, Rose, Jo & Jess
